"Thank you so much. Your department offers wonderful materials about careers. We have used Job Notes each year. In past years, we ran a 'Job Notes Day' where students received a copy of Job Notes in their Advisory. Each Advisor reviewed Job Notes. During the day, students brought their copy of Job Notes to classes and their teachers talked about careers related to their subject area. This year, I used Job Notes in classroom guidance presentations for sophomores, juniors, and seniors. Teachers (English, Economics and Vocational) use Job Notes in their classes, also."
Maryellen Cavan, Guidance
White Mountains Regional High School

"Congrats on a GREAT Job Notes. Terrific stuff. Thanks."
Nancy Winterbottom, Coordinator
Newmarket School-to-Careers

"Could I get more bundles of Job Notes. Our classrooms all use them widely for career development....Your resources are invaluable and will be a great resource to not just us here at MST, but to all teachers in the Manchester school district."
Joan Guild, Counselor
Manchester School of Technology

New Hampshire Job Notes 2006-2007 is a publication of **New Hampshire's Career Resource Network (NHCRN)** within the NH Department of Employment Security's Economic and Labor Market Information Bureau.

The primary goal of the NHCRN is to provide career development activities to equip youth and adults with the knowledge and ability to achieve successful careers, including both work for economic gain and that done for family, home, or community. This will be achieved through specific activities aimed at diverse groups such as teachers, students, counselors, administrators, dislocated workers, and others.

The NHCRN coordinates information to meet the needs of employment, training, and vocational education programs. It also provides career and occupational information to meet the needs of individuals making career decisions, especially youth.

In addition to *New Hampshire Job Notes 2006-2007*, NHCRN offers other products and services to meet the needs of career decision-makers and program planners. For additional information or for additional copies of *NH Job Notes 2006-2007*, call (603) 229-4489 or e-mail rric@nhes.state.nh.us.
